

(Second Announcement and Update)

Dear NEAT Researchers and SIF Community,

I would like to announce a special opportunity for you to use the state-of-the-art laser scanning confocal and Atomic Force microscope instruments in our NEAT ORU Spectral Imaging Facility. This limited time offer is intended to attract new users and foster use by certified users.

Special rates will apply during two Holiday periods in 2007.

Special Period 1 — July 1, 2007 to July 8, 2007

Special Period 2 — Nov. 22, 2007 to January 3, 2008

During the special periods the afterhours rate will apply during normal hours, and during afterhours the zero rate, i.e., FREE, will apply.

College of MPS and NEAT ORU will subsidize the hourly ORMP approved rate charge.

SIF Usual Rate Summary

Approved by ORMP effective 4/1/07

CCOAFM
